The Campership program is designed to assist an individual boy attend summer camp after all other sources of funding have been exhausted. Campership funds are limited and must be raised each year by private donations. We ask that you submit your request after January 1st and before June 1st if possible.

The Campership Committee expected that each Scout pay part of his fee to attend camp. The Scout can earn this part of his money through the Popcorn Sale, other Troop fundraisers, or part-time employment if he is of age. Camperships can only be used for the current camping season at Old Colony Council camps. All campership recipients will be notified of the grant amount before final camp payments are due. If you are applying for a campership prior to the May 15 payment deadline, the early payment fee will be honored. There is no assurance that funds will automatically be available.

NOTE: EXACT DOLLAR AMOUNTS, NOT PERCENTAGES, MUST BE FILLED IN. Any request not filled out completely will be returned and delayed.
